Evidence Stories (Law Stories) Richard Lempert

The ideal book to complement a problem-based evidence course, this new title brings to life some of Evidence Law's most important and interesting cases, and the principles they represent. This publication contains essays by leading evidence scholars discussing the stories behind landmark cases and illuminating principles and materials across the evidence curriculum. The seldom-told stories behind cases where evidence plays a significant role are now told with important illustrations of the development, application, and importance of the rules of evidence.
