Glue

Irvine Welsh

Glue Irvine Welsh

An epic novel about the bonds of friendship from the author of *Trainspotting*.

The story of four boys growing up in the Edinburgh projects, *Glue* is about the loyalties, the experiences, and the secrets that hold friends together through three decades. The boys become men: Juice Terry, the work-shy fanny-merchant, with corkscrew curls and sticky fingers; Billy the boxer, driven, controlled, playing to his strengths; Carl, the Milky Bar Kid, drifting along to his own soundtrack; and the doomed Gally, exceedingly thin-skinned and vulnerable to catastrophe at every turn. We follow their lives from the seventies into the new century—from punk to techno, from speed to E. Their mutual loyalty is fused in street morality: Back up your mates, don't hit women, and, most important, never snitch—on anyone. *Glue* has the Irvine Welsh trademarks—crackling dialogue, scabrous set pieces, and black, black humor—but it is also a grown-up book about growing up—about the way we live our lives, and what happens to us when things become unstuck. "Stocked with his usual quirky, sympathetic characters, this rollicking new tale sparkles with the writer's trademark satiric wit. Its heft and narrative breadth should convince any remaining skeptics that Welsh—now effectively the grand old man of in-your-face Scottish fiction—is a writer to be taken seriously."—*Publishers Weekly* starred review

From reader reviews:

Margarito Rone:

What do you regarding book? It is not important along? Or just adding material if you want something to explain what yours problem? How about your time? Or are you busy particular person? If you don't have spare time to accomplish others business, it is make you feel bored faster. And you have free time? What did you do? All people has many questions above. They must answer that question simply because just their can do that. It said that about publication. Book is familiar in each person. Yes, it is right. Because start from on pre-school until university need this Glue to read.

Elizabeth Talbot:

A lot of people always spent their free time to vacation or go to the outside with them family members or their friend. Were you aware? Many a lot of people spent they will free time just watching TV, or maybe playing video games all day long. If you want to try to find a new activity that is look different you can read a book. It is really fun for you. If you enjoy the book that you just read you can spent the whole day to reading a reserve. The book Glue it doesn't matter what good to read. There are a lot of people who recommended this book. They were enjoying reading this book. In case you did not have enough space to bring this book you can buy often the e-book. You can m0ore easily to read this book from the smart phone. The price is not too expensive but this book features high quality.

Dana Martin:

Many people spending their time frame by playing outside with friends, fun activity using family or just watching TV the whole day. You can have new activity to pay your whole day by reading through a book. Ugh, ya think reading a book can actually hard because you have to bring the book everywhere? It okay you can have the e-book, getting everywhere you want in your Mobile phone. Like Glue which is getting the e-book version. So , why not try out this book? Let's view.

Mary Abrams:

That guide can make you to feel relax. This book Glue was colorful and of course has pictures on the website. As we know that book Glue has many kinds or type. Start from kids until adolescents. For example Naruto or Investigation company Conan you can read and believe you are the character on there. Therefore , not at all of book tend to be make you bored, any it makes you feel happy, fun and relax. Try to choose the best book for you and try to like reading that will.
