One Man's Path: A Post Apocalyptic Story Pete Thorsen

When a massive CME strikes the Earth it changes everything in this highly technological world we are living in. One young couple is surviving and is waiting for our government to bring things back to normal or at least to supply aid for all the stricken citizens. The young family suffers hardships while waiting for this government help to arrive. The family gets separated and the husband suffers with terrible grief which is almost too much for him to bear and this man then searches for some reason why he should try to continue on with his life. He does find one possible path and this is his story.
