I literally took all of the guesswork out of making money from buying houses with absolutely "no money" and "no credit". I have verifiable certified checks within this booklet. Before quitting my job I would bring actual checks to work just to show my co-workers that it was real in hopes of them getting on board. This is real folks! I have a saying that goes, It's not about believing in me, but it's about believing in yourself. Whether you believe or not, I will still be doing it! Making Money from the steps n this booklet. Thank You in advance for investing in yourself and a step toward getting out of the rat race.
