One bite can change you.

And one kiss can change your destiny...

Nadya Dalca has been handed a death sentence. She's been bitten by the last living genetically enhanced werewolf?part of the Nero Organization's disastrous Moonlight project. With the poisonous blood now coursing through her system and pushing her to the limits, it is only a matter of time before Nadya's fate is sealed...

Gareth Takoda told himself he couldn't get involved. Caught up in a maelstrom of grief and bitterness, he has been isolating himself from his Pack. But when he is charged with watching over Nadya's first transformation?or bear witness should it go horribly wrong?Gareth is torn further by unwanted desire and the need to protect what is his.

One kiss changes everything. One shattering, all-consuming kiss. And with it, Nadya and Gareth face either salvation...or death.
