Enough Is Enough, The Truth Will Set Us Free Brendan Kelly

A lifelong follower of the American political scene, political pundit Brendan Kelly treats readers with his conglomeration of thoughts in this call to action. He tells of his progression through the political system of our times from Democrat to Republican, through Independent to Libertarianism. As an easy read, Enough is Enough is aimed at those who realize our nation is in deep trouble and are capable of joining the fray to repair the damage we have sustained in the past century. Kelly will provide readers with a road map of where we've been, where we are and where we need to be if we wish to survive the return of world slavery that existed before our first revolution.
