William's House Desperate to avoid his matchmaking parents and the sudden influx of zombies, William Stamson leaves his home town of Seattle to find a new place to settle down. As a void, a person who can't perform magic, he doesn't fit in with his powerful family and he longs to move out from beneath their large shadow. When he finds an old Victorian mansion in a quiet small town, he falls in love and, despite it sitting beneath a powerful ley line intersection, snaps it up. Cassius Grant is a magical enforcer who is sent to get rid of the house's interloper. However, one look at William and Cassius knows his life will never be the same. ~*~*~*~*~*~ Modeling Death Jacob Williams was used to men hitting on him, but little does he realize Guy Franks has waited hundreds of years to find his mate and nothing was going to dissuade him from a relationship, even the man himself. When someone starts killing models, Guy knows its time to claim the man fated to be his. Content advisory: Extreme violence.
