Evelyn Prado De Amaya, Jesus Amaya Guerra

Primero que nada es impresionante la forma rápida de lectura que tiene este libro. Los ejemplos que los autores ilustran son clásicos y las soluciones que presentan son muy buenas. Es una excelente herramienta para padres que necesitan hacer cambios radicales en la crianza de sus hijos y que se sienten totalmente perdidos en cómo hacerlo. Otra parte interesante de este libro es que se enfoca de manera genial a las diferencias de padres de generación en generación, muchas (si no todas) las características que mencionan son muy ciertas, haciendo alusión finalmente a los padres de hoy y los nuevos retos que tenemos con los hijos. Habiendo crecido y vivido en Monterrey, Nuevo León México, lugar de donde los autores son oriundos, me siento totalmente imparcial y de verdad si este libro fuera leído e implementado por muchos padres de hoy (que se convierten en esclavos de sus hijos) las nuevas generaciones tienen esperanza de abrirse paso de una manera más exitosa en la vida. Como madre, de verdad este libro lo recomiendo ampliamente.
