Piercing

Ryu Murakami

Piercing Ryu Murakami

A pulsating psycho-thriller from Ryu Murakami, author of *In the Miso Soup*

A renaissance man for the postmodern age, Ryu Murakami—a musician, filmmaker (*Tokyo Decadence*), TV personality, and award-winning author—has gained a cult following in the West. His first novel, *Almost Transparent Blue*, won Japan's most coveted literary prize and sold over a million copies, and his most recent psychosexual thriller, *In the Miso Soup*, gave readers a further taste of his incredibly agile imagination. In *Piercing*, Murakami, in his own unique style, explores themes of child abuse and what happens to the voiceless among us, weaving a disturbing, spare tale of two people who find each other and then are forced into hurting each other deeply because of the haunting specter of their own abuse as children.

In the modern era including now, you just looking by your mobile phone and searching what their problem. Right now, choose your ways to get more information about your guide. It is most important to arrange yourself to make your knowledge are still revise. Let's try to choose suitable ways for you.

Lisa Mercado:

As a university student exactly feel bored to reading. If their teacher inquired them to go to the library or to make summary for some guide, they are complained. Just tiny students that has reading's heart or real their hobby. They just do what the instructor want, like asked to go to the library. They go to right now there but nothing reading critically. Any students feel that studying is not important, boring and can't see colorful photographs on there. Yeah, it is being complicated. Book is very important for you. As we know that on this time, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. So , this Piercing can make you experience more interested to read.
