As the barriers between worlds start to crumble...

...superhero Ted Finley must battle his greatest enemy yet.

After a summer spent protecting the vulnerable from natural disasters, Ted couldn't be more excited to return home for his senior year of high school. While he dreams of training with and dating his protector, Erica LaPlante, life as a teenage superhero continues to get harder. A cunning presidential candidate, a disgruntled gatekeeper between realms, and two familiar villains threaten to end Ted and Erica's mission, as well as the world.

When a new and powerful enemy emerges, Ted and Erica must choose their allies wisely to keep a deadly army at bay. If they fail, the people they know and love will find themselves on a planet-wide battlefield.

Q & A with the Author

Q - How would you describe the Ted Saves the World series?

A - That's a stumper! I've always loved reading books and watching TV shows that mix genres together. It's like a buffet. How can you choose just one? Ted Saves the World is a combination of several different genres. It has the elements of a YA sci-fi fantasy series, but you might also call it a collection of paranormal books for teens and young adults. I've always loved horror books for teens and coming of age series best sellers as well, so you'll find a few dashes of each in the series too.

Q - Why did you want to write superhero novels?

A - I love challenges. Every year, I try to take on something new. I'd written some nonfiction, but I wanted to try writing young adult books for boys and girls alike. That's why it was important for me to write super-powered male and female characters. Also, given the recent boom of Marvel superheroes on the big screen, I wanted to take my own crack at the genre.

Q - What does it mean to you when readers buy your books?

A - It's an honor. Who knows if I'll ever be one of the young adult best sellers at the top of the list, but it's so amazing to see people reading my books. Like most writers, I used to think I wasn't good enough, so I didn't try. With the encouragement of my friends, family members, and readers, I was able to give this series a go. I'm eternally grateful for each reader who puts my books on their virtual shelf.
