Sleeping in the Forest of Shadows (Shadow Forest) (Volume 1) Eli Constant

She has to abandon the world of light to truly live... When Tilda Brennen's family dies in a fire, she is left wheelchair-bound and suffering from survivor's guilt. It was her fault. She'd left the candles burning that night. But there is a deeper, darker truth to the accident. "He" has slept for years, dormant and untouched by the human world. Then she arrives at the little house beyond the woods and he awakens. He has waited so long for another chance. This time, he will not fail. Going to the voice that summons her may heal Tilda's body, but it will also cause her to lose everything she's come to love. And once she enters the forest of shadows, returning to human life might prove impossible. Sleep here in the forest of shadows. Live inside the land of your dreams.
