This is an engaging, hugely entertaining version of "The Rules for Men". It gives a number of simple, effective techniques to guarantee men success with the women of their dreams. Armed with "The Layguide"'s wisdom, men will no longer fear rejection and will have the poise, power and skills to attract any woman. Stop for a moment and reflect. What is it you strive for in life? To be famous, only to be forgotten when the next big thing comes along. To have more money than your neighbour. To get promotion and a slightly bigger office. Why? To win the love and respect of a beautiful woman. To have great sex, whenever you want, with the woman of your dreams. What if you could skip through the struggle and go straight to the prize? As the soon-to-be-published "The Game" testifies, this is a guide that guarantees success. No matter what your goal, and no matter what your experience, "The Layguide" will lead you to the place of your dreams, even if you've never spoken to a woman or had a date in your whole life. Do you want to have sex with a different beautiful woman every night of the week? This book will show you how. Do you want to play the field in search of that one special woman? This book will show you how to do that, too. For more than a decade, Tony Clink has read books, talked with friends and strangers, and searched the Internet looking for the best and most interesting ideas on picking up women. He's tried and tested them all, finding out which ones were duds and which ones really worked, and traded his personal secrets with like-minded players around the world. And, of course, he's had lots and lots of amazing interaction with women, from steamy one night (or one hour) stands to his current two-year relationship with 'the most wonderful woman in the world'. Unlike other seduction guides, "The Layguide" is strictly no experience required. Even if you've never spoken to a woman in your life, Clink shows you step-by-step how to become the confident, successful 'lay man' you've always wanted to be. And if you're an experienced seducer, it will take you to heights of success you never thought possible.
