Tiana Wells is a practicing Druidic pagan. So when a best friend discovers she's magically bound, it doesn't take much prodding to get Tiana to do a ritual of unbinding. But something evil is released, and the next thing Tiana knows, she's investigating a string of grisly killings with, Ian Spencer, the sexiest detective in Scotland Yard. There's nothing she'd like more than to fall into his arms – but she's desperate to catch the killer without Ian learning she may be responsible for it. The first time Ian Spencer sees the lady anthropologist, he knows he's a goner. No matter that he and Tiana are hard on the trail of a serial killer, whenever he's with her, his mind turns to sex. He can't do anything that would jeopardize the case, or worse, put Tiana in danger. But it's torture to work so close to her and not be able to have her. Their passion rises with each body found, and so does the danger. But desire may be a lethal distraction, now that Jack is Back.
