The viva (oral examination) is now a crucial part of postgraduate examinations in surgery. This book provides a revision guide for the viva part of the Fellowship of the Royal College of Surgeons in England (Clinical Surgery-in-General). It covers the 40 most common general surgical operations together with other topics popular with examiners. The book should also be useful for candidates preparing for the certifying examinations of the American Board of General Surgery in the USA, the Australian Fellowship and the Canadian Board examinations.
