South of Sunshine

Dana Elmendorf

South of Sunshine Dana Elmendorf

Kaycee Jean McCoy has lived her entire life in Sunshine, Tennessee. Sweet tea flows through her veins and “yes ma’am” is ingrained in her DNA. In Sunshine, going to church is basically mandatory, and gay had better be your mood and not your sexual orientation. Kaycee may not agree with the town’s socially accepted bigotry, but she’d rather fit in—even if it means letting gross Dave Bradford kiss her on occasion—than make waves.

That is, until the beautiful, sexy, impossibly cool Bren Dawson moves into town. Kaycee is swept up in a whirlwind of exciting new emotions and lets her guard down. One night under a fat country moon, Kaycee’s best friend catches them kissing, and her whole world goes to hell in a handbasket. What is Kaycee willing to risk for the sake of love? And what will she risk for acceptance?

From reader reviews:

Brooke Jenkins:

Do you have something that you enjoy such as book? The reserve lovers usually prefer to choose book like comic, small story and the biggest the first is novel. Now, why not trying South of Sunshine that give your enjoyment preference will be satisfied through reading this book. Reading addiction all over the world can be said as the opportunity for people to know world a great deal better then how they react in the direction of the world. It can't be explained constantly that reading addiction only for the geeky individual but for all of you who wants to be success person. So , for all of you who want to start reading through as your good habit, you could pick South of Sunshine become your current starter.

Gabrielle Oneal:

You are able to spend your free time you just read this book this reserve. This South of Sunshine is simple bringing you can read it in the recreation area, in the beach, train and soon. If you did not possess much space to bring the printed book, you can buy the e-book. It is make you simpler to read it. You can save the book in your smart phone. So there are a lot of benefits that you will get when one buys this book.

David Blackwood:

This South of Sunshine is brand new way for you who has curiosity to look for some information because it relief your hunger details. Getting deeper you on it getting knowledge more you know or you who still having little digest in reading this South of Sunshine can be the light food to suit your needs because the information inside this specific book is easy to get by anyone. These books acquire itself in the form that is certainly reachable by anyone, sure I mean in the e-book form. People who think that in publication form make them feel drowsy even dizzy this reserve is the answer. So there is absolutely no in reading a publication especially this one. You can find actually looking for. It should be here for anyone. So , don't miss this! Just read this e-book sort for your better life in addition to knowledge.

Michael Barth:

As a pupil exactly feel bored in order to reading. If their teacher requested them to go to the library or make summary for some book, they are complained. Just tiny students that has reading's heart and soul or real their interest. They just do what the teacher want, like asked to the library. They go to there but nothing reading significantly. Any students feel that reading through is not important, boring along with can't see colorful pictures on there. Yeah, it is to get complicated. Book is very important to suit your needs. As we know that on this time, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore , this South of Sunshine can make you sense more interested to read.
