## **The Lifting of the Veil: Acts 15:20-21** Avram Yehoshua

The Lifting of the Veil is a biblically compelling book that reveals the New Testament's position on the Law of Moses. The Church, interpreting the four rules of James as table fellowship (Acts 15:20), completely misses God's point. Understood from its Hebraic perspective the four rules are the theological pillars that establish the Law for every believer. Here's what others are saying about it: Timothy Beukman of Cape Town, South Africa wrote, I have read many views on Acts 15 and never have I read what you wrote in your book. I commend your diligent research and understanding of the passage. It far supersedes many messianic teachers and pastors alike. Your layout and interaction with the material is great. This was a great book. Thank you so much. Donna Klindt of Cody, Wyoming, USA commented, Art Katz said, 'What we read should be an event in our lives if it bears the words of life from our living God.' Your book is an event in my life. It has been consuming and confirming and challenging, all at the same time. Thank you, precious brother, thank you, and not just you, but our Lord and Savior, Jesus the Messiah. Elizabeth Smit of Piketberg, South Africa said, I have read (studied) it. What an incredible piece of work you have done on this! So informative, so thorough, and so eye-opening. You should see my copy: exclamation marks, highlighted passages, side notes, etc. What a feast this was! Thank you!
