The Professor: A Sentimental Education Terry Castle

“[Terry Castle is] the most expressive, most enlightening literary critic at large today.” —Susan Sontag

From one of America’s most brilliant critics and cultural commentators, Terry Castle, comes *The Professor and Other Writings*: a collection of startling, gorgeously-written autobiographical essays and a new, long-form piece about the devastation and beauty of early love. James Wolcott, contributing writer to *Vanity Fair*, calls Terry Castle a “Jedi knight of literary exploration and lesbian scholarship,” and *The Professor and Other Writings* “a greatest-hits package of show-stopping monologues and offhand-genius riffs.” *The Professor and Other Writings* is a hilarious and heartbreaking exploration of gender, identity, and sexuality in the grand tradition of such feminist luminaries as Susan Sontag, Camille Paglia, and Joan Didion.

As a university student exactly feel bored for you to reading. If their teacher requested them to go to the library or to make summary for some guide, they are complained. Just tiny students that has reading's internal or real their passion. They just do what the teacher want, like asked to go to the library. They go to right now there but nothing reading very seriously. Any students feel that looking at is not important, boring along with can't see colorful photos on there. Yeah, it is to become complicated. Book is very important for yourself. As we know that on this age, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore , this The Professor: A Sentimental Education can make you feel more interested to read.
