Bedeviled & Beleaguered (Futuristic Paranormal Romance with a Devilish Flavor) (Bedeviled & Beyond Book 3) Sam Cheever

A fun and feisty futuristic romantic paranormal adventure!

As a poisonous magic veil descends over Earth, turning humans into mindless killers and threatening another Great War between the magic and non-magic populations, Astra and the devilish Dialle must find a way to save humankind and defeat Satan himself. With madness rolling over everyone in waves and the guardian angels succumbing to a rare disease called Devil's Plague, Astra finds herself walking a thin line between dark and light to vanquish the coming evil. Through it all, Astra and Dialle are still trying to forge a relationship together, despite the fact that they might be, once again, on opposite sides of the coming battle. Could it all be more than Astra Q Phelps can handle? There's only one way to find out!

***NOTE: This was previously published under the title 'Tween Heart's Fire and Devil's Delight. It is Book 3 of a 6-book futuristic paranormal romance series of full-length standalone novels with no cliffhangers. The series is written in first person POV. There is no objectionable content but the book does contain some violence, consensual sex (with an emphasis on sensual) and the occasional sexual innuendo. The heroine in this fun series isn't always politically correct and may at times embarrass herself and bumble about slightly out of control. If you're not a fan of self-deprecating humor, you might want to give this one a pass! #:0) Happy Reading!
