Consensual Exposure Kris Mariner

With the Tide-of-Aging rising above her knees, the classy MILF Jillian dares expose herself on a free Internet pornsite with strong encouragement from her Friend-With-Benefits. ‘Class and Ass’ Cliff proclaims! Jillian receives resounding praise for her explicit showing and is intrigued by the sexplay proposed by her on-line ‘Friends’. Public sex, Lesbians, Ménage-a-Trois and Glory Holes become Jillian’s favorites with Cliff peering through the camera lens. Willingly, he answers her Personal Messages and teases her admirers to sexual satisfaction as his Candaulistic traits blossom. Befriending Bisexuals, Crossdressers, Sissys, Cuckolds and Transgenders, he develops an appreciation for Crossdressers as his feminine side ‘comes out’. Jillian’s torrid affair with the wealthy Babette in her seaside mansion provides over-the-top sex while her Mistress’ control over her own Cuckold husband is equally intriguing. Shall Jillian abandon her heterosexual life to join the erotic lesbian or return home to establish control of Cliff, her Cuckold-in-Waiting? Two FWBs aboard the ‘Bullet Train of Sexuality’ and neither knows where they’ll ‘get-off’, likely at different stations--she often. Erotic, provocative and scalding all under one cover! Lots of ‘pink’ that leaves “--Shades of Grey” in the dust. Interspersed with the story is amusing guidance for navigating an internet pornsite as if “Exposing Yourself On-Line FOR DUMMIES”. Readers who will devour this novel (which is based upon experiences of a real MILF): • Women who embrace the strong female protagonist and pump their fists when Jillian dares get very, very naughty. • Intelligent M/F readers who relate to age-driven bio-Crises and ponder whether to ‘play hard’ before it’s too late. • Men who acknowledge their Low-T years are approaching and wonder if ‘feminization’ is a natural process. Plus those who crave to become Crossdressers and Sissys! • Prudes who had previously bashed on-line porn, categorizing it as ‘sinful’ without ever having taken a peek. ‘Should be required reading for these conservative folks!

From reader reviews:

Steve Bennett:

Do you have something that suits you such as book? The book lovers usually prefer to decide on book like comic, short story and the biggest the first is novel. Now, why not seeking Consensual Exposure that give your satisfaction preference will be satisfied by reading this book. Reading habit all over the world can be said as the means for people to know world better then how they react towards the world. It can't be claimed constantly that reading practice only for the geeky individual but for all of you who wants to always be success person. So , for every you who want to start reading through as your good habit, you may pick Consensual Exposure become your current starter.

Arthur Seaton:

As we know that book is essential thing to add our information for everything. By a book we can know everything we wish. A book is a group of written, printed, illustrated or perhaps blank sheet. Every year was exactly added. This e-book Consensual Exposure was filled about science. Spend your free time to add your knowledge about your technology competence. Some people has distinct feel when they reading the book. If you know how big selling point of a book, you can really feel enjoy to read a reserve. In the modern era like currently, many ways to get book that you just wanted.

Robert Quinonez:

As a pupil exactly feel bored to reading. If their teacher inquired them to go to the library or make summary for some guide, they are complained. Just minor students that has reading's heart and soul or real their passion. They just do what the teacher want, like asked to go to the library. They go to generally there but nothing reading significantly. Any students feel that reading through is not important, boring as well as can't see colorful pics on there. Yeah, it is for being complicated. Book is very important to suit your needs. As we know that on this period, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. Therefore this Consensual Exposure can make you sense more interested to read.

Michael Espy:

A number of people said that they feel bored stiff when they reading a guide. They are directly felt this when they get a half areas of the book. You can choose typically the book Consensual Exposure to make your reading is interesting. Your personal skill of reading proficiency is developing when you similar to reading. Try to choose straightforward book to make you enjoy to read it and mingle the sensation about book and reading especially. It is to be first opinion for you to like to open up a book and examine it. Beside that the guide Consensual Exposure can to be your brand new friend when you're experience alone and confuse in what must you're doing of the time.
