NOTE: This edition features the same content as the traditional text in a convenient, three-hole-punched, loose-leaf version. Books a la Carte also offer a great value—this format costs significantly less than a new textbook. Before purchasing, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, you may need a Course ID, provided by your instructor, to register for and use Pearson's MyLab & Mastering products.

For courses in world regional geography.

Helping Students Understand the Tension Between Globalization and Local Diversity

This contemporary approach to World Regional Geography introduces the latest ideas, concepts, and theories in geography while also developing a strong foundation in the fundamentals of world regions. It helps professors convey a strong sense of place and an understanding of the connections within and between world regions. *Globalization and Diversity* focuses on the core materials that students need in a World Regional Geography course.

The **Fifth Edition** features new content on everyday globalization, and the tools, skills, and applied approach of contemporary geography, along with MasteringGeography with MapMaster™ NextGen interactive maps, new video resources, animations, and author blogs.

Also available with MasteringGeography™

MasteringGeography is an online homework, tutorial, and assessment product proven to improve results by helping students quickly master world regional geography concepts. Students benefit from self-paced coaching activities that feature personalized wrong-answer feedback and hints that emulate the office-hour experience and help keep students on track. With a wide range of interactive, engaging, and assignable activities, students are encouraged to actively learn and retain tough course concepts.
