Jake and Josh are dating now, and their college's Christmas break is coming up. Unfortunately, it's a very busy time for both of their families, and though they live close to each other, they might not be able to see each other.

That all changes when an emergency forces their parents across the country and Jake and Josh are left to house-sit and take care of each other. Taking care of the house is going to take a backseat to taking care of each other, and Jake tells Josh that he's ready to try something new.

Join these new boyfriends as they take their relationship to the next level in a very physical way.

This is the third book in Jake and Josh's story, but you don't need to read them all to have a good time with this story! You can find the first two right here:
