Sarah Hegger is back with another delightful Willow Park Romance, but this time the road to love might be a little bumpy...

Tiffany Desjardins has a plan. Well, she *had* a plan, until her past and all its complications came back to haunt her. Her not-quite-ex-husband, Luke, is missing, and suddenly everyone needs to find him—including Tiffany, if she wants to marry the true man of her dreams. Then there's Thomas Hunter, Luke's brawny friend, who won't take “no road trip” for an answer—and who won't stop showing up in her daydreams...

Thomas couldn't care less about Luke's personal life, but he needs to find him if he's going to make his fledgling minerals and metals company a reality. And if that means following Tiffany, who's taken off in Luke's rare Lamborghini Miura, he's more than willing—especially if there might be a chance to negotiate some of Tiffany's lovely curves. As Tiffany and Thomas speed along without a map, the only destination that seems certain is being together...
