Two's company, a horde's a crowd!

Strong. Handsome. Wild.

My captors.

There's no such thing as a free meal when you're caught stealing it from barbarians.

In all the tales I'd heard, the Mongols were bloodthirsty and dangerous. Yet in their arms, they sparked a lust in me so powerful it couldn't be contained. **Inexperienced and shy**, I'd never thought I could be so wild, but when they made their wicked price known, I welcomed them with open legs, **one after another**, in any way they wanted.
