Michael O'Brien. 24. New Yorker. Musician. Archangel in charge of Heaven's army. It's been centuries since Michael stayed on Earth for an extended amount of time. Now he's here because of Jordan Amador--a Seer who helped him restore his life and memories and thwart the archdemon Belial from taking over the city. With Jordan on Belial's hit list, Michael decides to stick around and live out life alongside her as her friend and temporary bodyguard. But as the days pass, he finds it harder to resist the seven deadly sins that tempt all men. Especially as he and Jordan grow closer fighting the demons that want her almost as much as he does... This collection takes place in the two month period in The Black Parade between Chapters 15 and 16.
