## **The Lost Keys of Freemasonry: The Legend of Hiram Abiff** Manly P. Hall

2013 Reprint of 1946 Fifth Edition. Full facsimile of the original edition, not reproduced with Optical Recognition Software. Mr. Hall, himself an honorary 33x Mason, reveals the profounder aspects of this ancient Fraternity which has been a source of inspiration to so many individuals through the centuries. The basic symbolism of the three degrees of the Blue Lodge is explained. The text can be read with profit by both new and old Masons, for within its pages lies an interpretation of Masonic symbolism which supplements the monitorial instruction usually given in the lodges. The leading Masonic scholars of all times have agreed that the symbols of the Fraternity are susceptible of the most profound interpretation and thus reveal to the truly initiated certain secrets concerning the spiritual realities of life. Freemasonry is therefore more than a mere social organization a few centuries old, and can be regarded as a perpetuation of the philosophical mysteries and initiations of the ancients. This is in keeping with the inner tradition of the Craft, a heritage from pre-Revival days. The present volume will appeal to the thoughtful Mason as an inspiring work, for it satisfies the yearning for further light and leads the initiate to that Sanctum Sanctorum where the mysteries are revealed. The book is a contribution to Masonic idealism, revealing the profounder aspects of our ancient and gentle Fraternity - those unique and distinctive features which have proved a constant inspiration through the centuries. Chapters Include: Chapter I - The Eternal Quest Chapter II - The Candidate Chapter III - The Entered Apprentice Chapter IV - The Fellow Craft Chapter V - The Master Mason Chapter VI - The Qualifications of a True Mason Epilogue
