The Twilight Zone Companion Marc Scott Zicree

The Twilight Zone Companion (second edition) is the complete, five season (1959-64) show-by-show guide to one of television's greatest series. Zicree's well-written account is fascinating reading for even the casual fan. Coverage of each episode includes plot synopsis, Rod Serling's opening narration, behind-the-scenes stories from the original artists who created the series, and a complete list of cast and credits.

"In all my years of television viewing, no series resonated as deeply as *The Twilight Zone*. Even today, fragments of the forgotten episodes rise into my memory with surprising poignancy. *The Twilight Zone* was masterful storytelling, and this companion book, this compendium of old tales, is a remarkable gift to those who loved the series and to those who have yet to discover its magic."--Bruce Joel Rubin, screenwriter, Ghost, Jacob's Ladder
