True Story Stuart Adams

This true story of John's changed my life when he told me, be warned it will change yours.

John's life goes a full 360 degrees in the book, I have told it for the first time as it was told to me by John.

The story has not been spiced up to make it into a book, this really is 100% what actually happened.

Since John told me this story I have had a completely different outlook on life and now I live each day to the full, it will change your outlook on life also.

I will never forget John and his family, I know if you read this book although you have not met them you will never forget them either.
