Don't be one of the millions who get your heart broken and your bank account emptied. Don't think it can never happen to you, because it can. Scammers are skilled and know how to manipulate you...Become educated and protect yourself!

- * Understand how scammers gain your trust and use it against you to swindle your money.
- * Discover the inner workings of the scamming world...told by scammers themselves.
- * Learn to identify tools of the trade scammers use to trick and deceive.
- * Avoid unknown dangers intertwined with online dating.
- * Read intimate chats, email and text to experience the "red flags", "language", "format" and "stories" scammers employ.

It is estimated that there are over 5,000 online dating sites worldwide and over 122 million people trying to find love on line. Some do find love, but many others find they have been "molested for money" by a criminal. Instead of a happy ending they end up with a broken heart and financial ruin. The huge number of people dating online and the general lack of education about the scammers and their scams make online dating sites a goldmine for those seeking an easy mark and their money. With an unending supply of new targets they can victimize, steal hearts and inflict financial ruin at will. It is extremely difficult at best, and impossible at worst, to stop these predators through legal means. However, those with the knowledge and insights provided in this book can stop them and their criminal intentions. Education is the key to identifying the scam and scammer before they get to your heart and bank account. This book will help you avoid heartbreak, an empty bank account and possibly even jail.
