This straightforward guide provides the essential information for parents and advocates to understand US law and get the right educational entitlements for a child with dyslexia.

Using case studies and examples, this book demonstrates clearly how to apply the Individuals with Disabilities Education Act (IDEA) to the unique requirements of a dyslexic child. It offers simple, intelligible help for parents on how to coordinate successfully with their child's school and achieve the right services and support for their dyslexic child; up to and beyond getting an effective Individual Education Plan (IEP).

Dyslexia- Decoding the System is an invaluable tool for parents trying to negotiate a complex legal system in order to get the best outcome for their child. It is an essential guide for anyone who is considering acting as an advocate for a child with dyslexia.
