## **Kayleigh Becomes a Pet** Dakota Dawson

Kayleigh has never been someone's **pet** before, nor did she even really know what it meant. But a married man offers to introduce her into the world of ultimate **submission**. He gifts her to his wife, who is in charge of her **training** and indoctrination, not just until she obeys, but until she desires with every fiber of her being to please her master and mistress.

Kayleigh is taught through pain and humiliation the ways of **pet-dom**. She experiences things she didn't even know were possible, and she enjoys it all. She even gets to flip the tables around in the final surprise chapter!

This is the first book of the "Kayleigh" series, containing a much longer-than-normal story, written from the perspective of her master. The next two books (Kayleigh: Her Story, parts 1 and 2), she gets to tell her side of the tale. The final series (not-yet-released) takes place after Kayleigh is a full-time pet and her life thereafter.
