## **Reefer Madness: Sex, Drugs, and Cheap Labor in the American Black Market** Eric Schlosser

America's black market is much larger than we realize, and it affects us all deeply, whether or not we smoke pot, rent a risqué video, or pay our kids' nannies in cash. In *Reefer Madness* the best-selling author of *Fast Food Nation* turns his exacting eye on the underbelly of the American marketplace and its far-reaching influence on our society. Exposing three American mainstays — pot, porn, and illegal immigrants — Eric Schlosser shows how the black market has burgeoned over the past several decades. He also draws compelling parallels between underground and overground: how tycoons and gangsters rise and fall, how new technology shapes a market, how government intervention can reinvigorate black markets as well as mainstream ones, and how big business learns — and profits — from the underground.

*Reefer Madness* is a powerful investigation that illuminates the shadow economy and the culture that casts that shadow.
