## **The Curse of the Bambino** Dan Shaughnessy

The Boston Red Sox's loss to the New York Yankees in the final game of last year's playoffs has been called "the game of the century," evidence that the rivalry between the Red Sox and the Yankees is hotter than ever. In the wake of that defeat, author and *Boston Globe* sports columnist Dan Shaughnessy has updated his bewitching story of the curse that has lain over the Red Sox since they sold Babe Ruth to the hated Yankees in 1920. Here he sheds light on classic Sox debacles—from Johnny Pesky's so-called hesitation throw, to the horrifying dribbler that slithered between Bill Buckner's legs, to last year's stunning extra-inning home run that kept the Sox without a World Championship for yet another year. Lively and filled with anecdotes, this is baseball folklore at its best.
