There's also a video series you can use with your small group here: <https://vimeo.com/ondemand/respectdaresmallgroup>

Grab hold of an exciting training method with easy to understand instructions - then take your small group of women through the best selling book, "The Respect Dare" and supplement the experience with exercises, activities and discussion that will leave an impact for generations to come. Utilize proven training methods to help facilitate growth for your participants. Walk confidently beside the wives in your group as they grow closer to God and their husbands as a result of their journey through "The Respect Dare."

Recognize that this is radically different than any other small group guide available today. This is so much more than a typical small group guide - it is a professional trainer's manual, with the content made simple for lay people to understand and implement without investing thousands of dollars to become trained in this method of growth facilitation.

You can expect your group of women to connect quickly, deeply, and grow significantly, if you utilize the methods suggested in "The Respect Dare - A Small Group Leader's Guide."

What Christian Leaders Have to Say about "The Respect Dare:"

Dr. Kevin Leman, best-selling author of "Have a New Husband by Friday:"

"Nina's insightful steps in The Respect Dare help you along the path to a better marriage. Walk along this successful path traveled by many women to find growth and fulfillment. Take the first step, I dare you."

Shaunti Feldhahn, best-selling author of "For Women Only: What you Need to Know about The Inner Lives of Men:"

"Believe it or not, most men need respect so much that, if they had to, they would give up love to get it – and respect empowers them to be the caring man you most need. One of the most important things you can ever do for your man – and thus for yourself -- is to read this book. From the first page you are an active participant as you go through daily scripture, self-reflection, prayer journaling and lots of 'now I get it!' examples. Think Nike slogan "Just Do It:" each day you find yourself DOING respect – not just thinking, praying, talking or reading about it – but DOING it. You will find your habits seamlessly changing into new ways of relating that will feel as wonderful and life-changing to you as to him."

Pastor Mark Gungor, best-selling author of, "Laugh Your Way to a Better Marriage:"

"Women need to affirm, encourage and respect their husbands with their actions and words—and sometimes it is with the lack of words that is most powerful, if you catch my drift! Respect can be shown both by what you say and often times by what you don't say.

Many times when I speak of this to women, they launch into 20 questions: What does respect mean? What does it look like? How do I show it? What if he doesn't deserve it? The list goes on and on. While there is no one-size-fits-all answer, or no recipe or steps to follow, understand that the whole concept of respect has more to do with you than it has to do with him.

I encourage all women to accept this respect challenge and find out if I'm right. What do you have to lose except a whole lot of selfishness, bitterness and unrealistic expectations? On the other hand, you have a great opportunity to gain greater understanding, self-confidence, joy and a better relationship with God and your husband.

Go ahead, I dare you. You won't regret it."
