## **Til There Was U** Dianne Castell

Workaholic Ryan O'Fallon has made his name as an architect in a top San Diego firm in more ways than one. On the job, he's the go-to guy who can face down the toughest client without flinching. Off the job, he's got a rep for playing the field. The company lunchroom odds give his average relationship a whopping ten weeks and two days. And, nobody knows better than Effie Wilson, Ryan's co-worker and competitor. After all, she's won the last two pools on his lack-of-love life and has the Gucci shoes to prove it. Ryan may be Mr. Calm and Cool in the boardroom, but when Effie's around, he starts to sweat. As if things weren't tense enough, Ryan's dad needs him at home just as Ryan's biggest project is taking off. There's no way Ryan won't help out his dad, but he's not about to let Effie stay and take all the credit. The only thing to do is to bring her with him to Tennessee so they can work together. Now, back in O'Fallon's Landing, with its slow, easy days and long, steamy nights, Effie's letting her hair down big time, going from a buttoned-up businesswoman into a full-fledged, no-holds-barred force of nature...the kind that's turning Ryan's world upside down and putting anything but business on his mind.
