Featuring the same unique flip-book design and universal message that made *I Love You More* a bestseller, this companion book brings the same beautiful lyricism to a new dual idea: A child is a gift to the world, and the world is a gift to a child. Evoking all that makes a child unique, the book then mirrors with the world's special gifts-from mountains to seas to life itself.

Inspirational as well as gorgeously written, both poems reach the same moving conclusion: A child in the world is the greatest gift of all.

Praise for *I Love You More*:

"I can just see an adult and a kid giggling away, flipping the book over and taking turns reading to get to the middle and a big fat hug... Sweet, simple examples that a little one with a big heart will understand."

-Alyne Ellis, AARP Radio Network
