Falling Up Brian J Bromberg

Gregg Freeman is living the American Dream ... in reverse. For he can't be the Great American Writer of his dreams unless he feels sufficiently tormented enough to have something to say. But that's his problem. He's too comfortable to have anything to say. Instead, he's got a high paying corporate day job, a sexy pseudo-girlfriend, a posh New York City apartment, and as such, complete and total Writer's Block. So when his best friend Alvaro drunkenly suggests the Muse of Misery best inspires artists, Gregg takes him at his word, embarking upon a systematic campaign to destroy everything in life that has plagued him with stability, comfort, contentedness, or joy. His job? His bank account? Sex? Sobriety? All of it must go. The worse his life, the better his work. But how far will Gregg allow himself to fall so that his creativity may rise? Pretty damned far, as it turns out. For it's hard to hit rock bottom when you believe you're Falling Up.
