Knitting for Beginners: Outstanding Knitting Patterns With Detailed Instructions That Everyone Can Easily Follow (Knitting for Beginners, Knitting, how to knit) Diane Ellis

The art of knitting is a craft that has been passed on for generations and we want to keep it moving forward. We have designed this book to be a quick review for those that are experts and might just want some new trendy patterns and for those that are just getting started. We have put together some wonderful patterns with instructions that are easy to follow. We want those just learning to enjoy the learning experience. It is all too often that people give up on new experiences because they are not shown the right way to do it.

Knowledge is power and this book will give you knowledge and history about knitting so that it is easier to understand and more fun. We are also going to make sure that you are prepared before you start your first project. Without having the right tools; knitting would be like baking a cake without flour. This book is not going to make you an expert in the art of knitting but it is that one stepping stone you need to begin the journey to becoming an expert.

In this book we are going to cover the following topics:

- History of knitting
- Healthy side effects of knitting
- Supplies and tools for knitting
- Patterns that are easy to follow
