## **Mexico and the Spanish Conquest** Ross Hassig

What role did indigenous peoples play in the Spanish conquest of Mexico? Ross Hassig explores this question in *Mexico and the Spanish Conquest* by incorporating primary accounts from the Indians of Mexico and revisiting the events of the conquest against the backdrop of the Aztec empire, the culture and politics of Mesoamerica, and the military dynamics of both sides. He analyzes the weapons, tactics, and strategies employed by both the Indians and the Spaniards, and concludes that the conquest was less a Spanish victory than it was a victory of Indians over other Indians, which the Spaniards were able to exploit to their own advantage.

In this second edition of his classic work, Hassig incorporates new research in the same concise manner that made the original edition so popular and provides further explanations of the actions and motivations of Cortés, Moteuczoma, and other key figures. He also explores their impact on larger events and examines in greater detail Spanish military tactics and strategies.

### From reader reviews:

#### **Margaret Burton:**

The book Mexico and the Spanish Conquest make you feel enjoy for your spare time. You may use to make your capable considerably more increase. Book can for being your best friend when you getting anxiety or having big problem with the subject. If you can make reading through a book Mexico and the Spanish Conquest for being your habit, you can get much more advantages, like add your capable, increase your knowledge about several or all subjects. You can know everything if you like open and read a book Mexico and the Spanish Conquest. Kinds of book are several. It means that, science book or encyclopedia or other individuals. So , how do you think about this guide?

#### **Carla Ramirez:**

Here thing why this kind of Mexico and the Spanish Conquest are different and trustworthy to be yours. First of all examining a book is good however it depends in the content of the usb ports which is the content is as scrumptious as food or not. Mexico and the Spanish Conquest giving you information deeper since different ways, you can find any guide out there but there is no guide that similar with Mexico and the Spanish Conquest. It gives you thrill looking at journey, its open up your eyes about the thing that happened in the world which is perhaps can be happened around you. It is possible to bring everywhere like in recreation area, café, or even in your technique home by train. If you are having difficulties in bringing the branded book maybe the form of Mexico and the Spanish Conquest in e-book can be your alternative.

#### **Charles Smith:**

Nowadays reading books become more than want or need but also be a life style. This reading routine give you lot of advantages. The advantages you got of course the knowledge even the information inside the book which improve your knowledge and information. The information you get based on what kind of book you read, if you want get more knowledge just go with education and learning books but if you want sense happy read one using theme for entertaining such as comic or novel. The actual Mexico and the Spanish Conquest is kind of publication which is giving the reader unstable experience.

#### **Deborah Young:**

This Mexico and the Spanish Conquest is brand new way for you who has intense curiosity to look for some information since it relief your hunger of knowledge. Getting deeper you in it getting knowledge more you know or else you who still having bit of digest in reading this Mexico and the Spanish Conquest can be the light food for yourself because the information inside that book is easy to get by means of anyone. These books build itself in the form and that is reachable by anyone, that's why I mean in the e-book contact form. People who think that in book form make them feel sleepy even dizzy this publication is the answer. So there is absolutely no in reading a guide especially this one. You can find actually looking for. It should be here for anyone. So , don't miss that! Just read this e-book kind for your better life along with knowledge.
