Emerson Montgomery loves his high school sweetheart, Kelly Price. He'd do anything for her, including agreeing to a break where they'll see other people as he heads off to college. Struggling with the break and guilt over dating other people, Emerson meets Eva, a beautiful, funny, easygoing, and nosey junior.

Eva Harvey chose this particular college with the hopes of fulfilling her own fairytale and falling in love at the same college where her parents met. She does her best to go with the flow and simply see what happens, but Emerson simultaneously causes her to fall in love while making her second guess everything along the way.

There's some things you know without a doubt. However, Eva causes Emerson to doubt everything he believes about his future while he causes her to doubt what's right in front of her. Can they find a way to erase all doubts or will it tear them apart in the process?
