Children, Adolescents, and Media Violence: A Critical Look at the Research Steven J. Kirsh
Children, Adolescents, and Media Violence provides a comprehensive review and critique of the literature related to media violence in all its forms during childhood and adolescence. Special attention is paid to evaluating the role of the development processes in media violence research and to stressing the importance of methodology in understanding that research. The developmental analysis taken by the author allows for the identification of age-related gaps in the literature and helps students to become critical consumers of research. The book provides the most comprehensive overview available of the effects of media violence on children and adolescents.
