Chilled (A Bone Secrets Novel) Kendra Elliot

As a forensic nurse on a search and rescue team, Brynn Nealey braves a dangerous blizzard to find the survivors of a plane crash in the Cascade Mountains. Joining her is Alex Kinton, a former US marshal with self-destructive tendencies. Alex lies his way onto Brynn's team to find the man who killed his brother—and then administer his own brand of vigilante justice. But once the team members reach the plane's wreckage, they discover everyone aboard has perished...except for the man Alex is hunting. Alex will do whatever it takes to track his target through the vast, snowy wilderness.

As the temperatures drop, however, so do Alex's defenses. His contact with the sharp, kindhearted Brynn makes his lust for vengeance difficult to reconcile with his growing feelings for a woman who risks her life to help others. What will happen to Alex's savage instincts when he finally has the opportunity to confront his brother's killer?

In *Chilled*, the next thrilling tale in the Bone Secrets saga, Golden Heart finalist Kendra Elliot weaves an icy tale of cold nights, cold hearts, and cold-blooded killers.

From reader reviews:

Angela Caves:

Reading a guide tends to be new life style on this era globalization. With reading you can get a lot of information that will give you benefit in your life. With book everyone in this world can certainly share their idea. Guides can also inspire a lot of people. Many author can inspire their own reader with their story or perhaps their experience. Not only the storyline that share in the textbooks. But also they write about advantage about something that you need example of this. How to get the good score toefl, or how to teach your kids, there are many kinds of book that exist now. The authors nowadays always try to improve their ability in writing, they also doing some investigation before they write with their book. One of them is this Chilled (A Bone Secrets Novel).

Mark Vandyke:

Many people spending their time by playing outside together with friends, fun activity with family or just watching TV all day every day. You can have new activity to enjoy your whole day by reading a book. Ugh, you think reading a book will surely hard because you have to take the book everywhere? It all right you can have the e-book, getting everywhere you want in your Touch screen phone. Like Chilled (A Bone Secrets Novel) which is keeping the e-book version. So , try out this book?
