He just wasn't sure the sexy little man was ready for his dominant brand of mating. Being in control was second nature to him and he wasn't about to change that for Rue, even if the man was his forever mate. Rue Tasquer had just about given up hope that he would find the perfect man to dominate him until he found a set of deep, piercing green eyes staring at him from across a bar. As eager as he is to find someone to accept him--kink and all--Rue quickly gives into the man's demands and follows him for what turns out to be the beginning of something that will either make Rue the happiest man alive or send him running for his life. ** A Siren Erotic Romance
