Introducing Sociolinguistics

Miriam Meyerhoff

Introducing Sociolinguistics Miriam Meyerhoff

'Here is a welcome introduction to sociolinguistics by a leading researcher in the field. Users will be inspired by the breadth and sweep of Meyerhoff's treatment.' – *William Labov, University of Pennsylvania, USA*

'Miriam Meyerhoff's entertaining volume revels in the diversity that is the cornerstone of sociolinguistics – she takes us to every continent to provide contemporary, refreshing and engaging examples of the key concepts of the discipline, and does so in a well-paced and readable style. The book is authoritative yet open-minded, innovative yet touches all the bases that need to be touched. Most of all, it embodies a passion for sociolinguistics that I hope many readers will embrace.' – *David Britain, University of Essex, UK*

This key text provides a solid, up-to-date appreciation of the interdisciplinary nature of the field. It covers foundation issues, recent advances and current debates – presenting familiar or classic data in new ways, and supplementing the familiar with fresh examples from a wide range of languages and social settings. It clearly explains the patterns and systems that underlie language variation in use, as well as the ways in which alternations between different language varieties index personal style, social power and national identity.

Individual chapters cover:

- social dialects and individual style
- language attitudes
- politeness
- multilingualism and language choice
- real time and apparent time change in language
- social class, social networks and communities of practice
- gender
- language and dialect contact.

Each chapter includes exercises that enable readers to engage critically with the text, break out boxes making connections between sociolinguistics and linguistic or social theory, and brief, lively add-ons guaranteed to make the book a memorable and enjoyable read. With a full glossary of terms and suggestions for further reading, this text gives students all the tools they need for an excellent command of sociolinguistics.

From reader reviews:

James Jackson:

Reading a publication tends to be new life style with this era globalization. With reading through you can get a lot of information that may give you benefit in your life. Having book everyone in this world could share their idea. Ebooks can also inspire a lot of people. Plenty of author can inspire their own reader with their story or even their experience. Not only the story that share in the publications. But also they write about the data about something that you need case in point. How to get the good score toefl, or how to teach your sons or daughters, there are many kinds of book that you can get now. The authors these days always try to improve their talent in writing, they also doing some investigation before they write to their book. One of them is this Introducing Sociolinguistics.

Robert Araiza:

Beside this particular Introducing Sociolinguistics in your phone, it could possibly give you a way to get nearer to the new knowledge or facts. The information and the knowledge you might got here is fresh through the oven so don't be worry if you feel like an previous people live in narrow small town. It is good thing to have Introducing Sociolinguistics because this book offers for your requirements readable information. Do you often have book but you rarely get what it's exactly about. Oh come on, that won't happen if you have this with your hand. The Enjoyable arrangement here cannot be questionable, like treasuring beautiful island. So do you still want to miss that? Find this book as well as read it from at this point!

Lamar Santiago:

As a college student exactly feel bored to reading. If their teacher expected them to go to the library as well as to make summary for some book, they are complained. Just tiny students that has reading's heart and soul or real their interest. They just do what the trainer want, like asked to the library. They go to right now there but nothing reading very seriously. Any students feel that studying is not important, boring along with can't see colorful pics on there. Yeah, it is to get complicated. Book is very important to suit your needs. As we know that on this period, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. Therefore this Introducing Sociolinguistics can make you really feel more interested to read.

Laura Hill:

A number of people said that they feel bored stiff when they reading a e-book. They are directly felt this when they get a half elements of the book. You can choose typically the book Introducing Sociolinguistics to make your personal reading is interesting. Your own personal skill of reading proficiency is developing when you such as reading. Try to choose very simple book to make you enjoy you just read it and mingle the sensation about book and looking at especially. It is to be 1st opinion for you to like to start a book and read it. Beside that the book Introducing Sociolinguistics can to be your brand new friend when you're truly feel alone and confuse in what must you're doing of that time.
