Of Human Bondage: A Trilogy William Somerset Maugham

• TRILOGY - Three of W. Somerset Maugham's bestsellers are in this Kindle eBook: Of Human Bondage (1915), Mrs Craddock (1902), and The Moon and Sixpence (1919)

Of Human Bondage (1915)

Philip Care is raised by his aunt and uncle, and later studies art in Paris. He knows he will never be good enough to make a living as a professional artist so he struggles his way through medical school. He falls desperately in love with Mildred, who shows no consideration for him until she finds herself unmarried and pregnant by another man.

Mrs Craddock (1902)

Mrs Craddock is an attractive, wealthy woman who marries beneath her. Edward Craddock is handsome and "simply reeks of the Ten Commandments", but he is hardly educated and headstrong. Craddock eventually turns into the archetypal country squire, respected by the community, but his wife has drawn her own conclusions about their married life.

The Moon and Sixpence(1919)

A series of glimpses into the mind and soul of Charles Strickland, a middle-aged English stockbroker who abandons his wife to become an artist. The story is said to be loosely based on the life of the painter Paul Gauguin.

About the Author

William Somerset Maugham (1874–1965) was a British playwright, novelist and short story writer who was among the most popular of his generation. Like Philip Carey in *Of Human Bondage*, Maugham lost both of his parents by the age of 10. He was raised by a his uncle and qualified as a doctor. His first novel, *Liza of Lambeth* (1897), sold out and Maugham gave up medicine to write full-time. During World War I, he served with the Red Cross and in the ambulance corps, before being recruited in 1916 into the British Secret Intelligence Service. He also lived in India and Southeast Asia; all of these experiences were reflected in his work.
