SPACEFLIGHT takes the EFL, ESL Teacher beyond gravity to an alternative realm which will change the way you think and act in the classroom. It is an intensely practical guide which is designed to inspire EFL Teachers to inspire their students. It introduces and explains the Platinum Rule of EFL - it's not just the METHOD of teaching - it's also the MATERIAL. It shows you how to be a 'force' in the classroom by using the power of your personality, how to give students the confidence to learn, and how to develop a special relationship with each one of them. It includes 40 exciting classroom activities - complete with detailed instructions, learning objectives and explanatory illustrations - which stimulate students to learn a broad spectrum of language skills. In addition there is a special section containing functional formulas for teaching Academic Writing.
