Vanessa Secair is the Peacekeeper. The Peacekeeper has never been a Child of Fire. The People of Light want her dead. When her Fire Clan disappears, she's taken in by the Shadow people, who teach her their ways. When she is of age, she is taken to the Central Capital Continent for 'Higher Learning'. The only problem is this: the school there is crawling with Light Teens, and there is an assassin lurking in the midst of her classmates. She makes friends and allies with one of each of the Elemental Peoples: Shadow, Fire, Sky, Earth, Water, Light, and they become a team. But can she truly trust them? When one makes an attempt on her life, her whole world seems shattered. How is she supposed to bring peace to a world on the verge of another civil war when she can't even keep the peace between herself and her team?
