God in Us: A Case for Christian Humanism (Societas) Anthony Freeman

God In Us is a radical representation of the Christian faith for the 21st century. Following the example of the Old Testament prophets and the first-century Christians it overturns received ideas about God. God is not an invisible person 'out there' somewhere, but lives in the human heart and mind as 'the sum of all our values and ideals' guiding and inspiring our lives. This new updated edition includes a foreword by Bishop John Shelby Spong and an afterword from the author.
