Charade (The Games Trilogy Book 1) Nyrae Dawn

Nineteen-year-old Cheyenne tries to portray the perfect life to mask the memories of her past. Walking in on her boyfriend with another woman her freshman year in college threatens that picture of perfection.

Twenty-one-year-old Colt never wanted college and never expected to amount to anything, but when his mom's dying wish is for him to get his degree, he has no choice but to pretend it's what he wants too.

Cheyenne needs a fake boyfriend to get back at her ex and Colt needs cash to take care of his mom, so they strike a deal that helps them both. But what if Cheyenne's past isn't what she thought? Soon they're trading one charade for another—losing themselves in each other to forget about their pain. The more they play their game, the more it becomes the only thing they have that feels real.

Both Cheyenne and Colt know life is never easy, but neither of them expect the tragedy that threatens to end their charade and rip them apart forever.
