Construction Contracts: Law and Management Will Hughes, Ronan Champion, John Murdoch

The fifth edition of this bestselling textbook has been thoroughly revised to provide the most up-to-date and comprehensive coverage of the legislation, administration and management of construction contracts. It now includes comparisons of working with JCT, NEC3, and FIDIC contracts throughout.

Introducing this topic at the core of construction law and management, this book provides students with a one-stop reference on construction contracts. Significant new material covers:

- procurement
- tendering
- developments in dispute settlement
- commentary on all key legislation, case law and contract amendments

In line with new thinking in construction management research, this authoritative guide is essential reading for every construction undergraduate and an extremely useful source of reference for practitioners.
