Education Policy Ian Abbott, Michael Rathbone, Phillip Whitehead

This essential book takes an historical perspective to illuminate current educational issues. The authors draw on documentary evidence to describe, record and analyze education policy in England and Wales since the Second World War. Inside you will find in-depth interviews with a number of former Education Ministers, and others who were directly involved in the development and implementation of education policy. Key decision-makers such as David Blunkett, Ed Balls and Michael Gove are asked to discuss the historical context of their period of office and to consider the lasting legacy of the policies they have been responsible for.
